

# Frequently Asked Questions

**NEW WORLD**

## When does the Yummy Apple Sticker Promotion start?

The promotion officially runs for Terms 2 and 3 of the school year.

## What if there is not a cut-out on the bag?

The cut-out will only be on the bag for the official promotion time (Terms 2 and 3). If there is not a cut-out you can collect the bar code.

## How do we manage this event efficiently and effectively?

Designate someone to manage the process. This person should manage the collection of the sticker sheets and communication with parents, then tally up the stickers, send them in to us and finally choose the sports gear for your school. Make sure that you've printed the necessary information from the School Sticker Promo Starter Kit ([link](#)) and actively promote the fundraising campaign early with pupils and parents so that everyone is involved.

## What do we do once we have collected all the sticker charts?

Complete the Total Tally Sheet and send it in with all your sticker charts to:

The Yummy Fruit Company,  
PO Box 31 542,  
Milford, Auckland.

We will then contact you with the total amount to spend on sports gear that you select from a DG Sport order sheet.

## Where can you buy Yummy Apples?

At Pak'n Save, New World and Four Square stores.

## What do I do if I'm not sure about something?

Phone us on 0800 2 YUMMY or email: [help@yummyfruit.co.nz](mailto:help@yummyfruit.co.nz)
